

School-leavers qualified for higher education in Germany 1970–2025 (figures for 2017 and later are projections)

School-leavers qualified for higher education: either with a 'general' or 'technical' school-leaving certificate* (in Germany Abitur). Rate of qualified school-leavers: number of school-leavers qualified for higher education as a percentage of the relevant age group.

* Since 2013, the actual figures no longer include school leavers who have passed the school part of the 'technical' Abitur but must still do a period of professional practical training according to Länder rules to fully qualify for tertiary education.
 Source of forecast figures: statistical publications of the Standing Conference of Education Ministers (KMK) in Gehrke and Kerst (2018).
