

Fig. C 1-4 Foreign students at German tertiary education institutions 2010-2020¹⁾

Foreign students are defined as persons without German citizenship. They can be divided into students who attained their higher-education entrance qualification in Germany (Bildungsinländer), and those who attained this qualification abroad (Bildungsausländer).

1) The data are submitted annually by the higher education institutions to the statistical offices in the winter semester after the end of the enrolment period.
